# IDIS SUPER 4K

The IDIS 4K Total Solution provides users with a complete, end-to-end solution for every 4K surveillance need. From image capture, through recording and display, the IDIS 4K Total Solution makes ultra-high definition surveillance both easy and affordable, with simple installation and maintenance, and a guaranteed low total cost of ownership.

### Low-Cost, High-Quality Image Capturing

*IDIS widens your surveillance capability*

IDIS 4K cameras deliver expansive area coverage and crystal clear imagery. A single IDIS 4K camera delivers 3840x2160px ultra-high definition (UHD), covering what would normally require four HD cameras, saving users substantial equipment and maintenance costs.

### Industry-Leading Storage Capability

*IDIS offers the world's highest performing 4K H.265 NVR*

The IDIS DR-6316P-S is the world's highest performing NVR, with a class-leading network throughput up to 310Mbps, leading-edge 4K video out capability, support for H.265, and allows for savings of up to 50% of storage space.

### Cutting Edge 4K UHD Display

*IDIS delivers a specifically designed 4K display*

The IDIS 84-inch 4K UHD Surveillance LCD Monitor features industry-leading UHD resolution (3840x2160p) and produces life-like color and exceptional details with a 178° viewing angle on a large-format S-IPS LCD.

### Quick and Easy to Install

*IDIS DirectIP™ means simple and uncomplicated installation*

The DirectIP™ true plug-and-play functionality, with automatic network detection and device setup, results in a 4K total solution that is quick, easy, and cost effective to install.

With the IDIS 4K Total Solution also comes IDIS DirectIP's simple and intuitive plug-and-play functionality with automatic network detection. This ease of installation and configuration not only saves users from headaches during setup, it also results in cost savings. IDIS 4K cameras deliver vast area coverage and crystal clear images, allowing users to pay for fewer cameras, while ensuring full security. With low-maintenance technology and zero licensing fees, the IDIS 4K Total Solution meets all of your UHD surveillance needs, while keeping total cost of ownership low.
